### A BRIEF HISTORY IN TIME

1874 saw the construction of Grand Bend's first one room schoolhouse known as SS#8. It operated as a school until 1925 when a new school was built at the present location of Grand Bend Public School on Gill Road at the end of this street. Since then SS#8 has taken on many transformations from community hall (MacaBee Hall) to private home with rental cabins to a small farm with chickens and one or two cows to private home again that raised a family with 11 kids then a bed and breakfast known as the Cinderella Café then a much loved breakfast place known as Crescent Street Café and now Schoolhouse Restaurant.
